In order to ensure a smooth transition to Missouri State, students must include courses listed below while completing your Associate of Arts in Teaching degree. **Failure to complete the AAT in its entirety will result in additional coursework and will likely delay graduation.** In addition to admission into Missouri State, you’ll also need to be admitted into the Teacher Education Program.

Admission to Teacher Education occurs upon completion of the following:

- Community College equivalent to COM 115 and **SEC302 (or program equivalent)** with a grade of C or better.
- EDC 150 with a grade of C or better
- Family Care & Safety Registration
- Portfolio Checkpoint #1 at Missouri State
- Score of 265 or higher on all areas of the C-Base Exam (note: Higher than 235 required by the State of Missouri)
- 2.50 Combined Cumulative GPA
- ACT score (if required by DESE)

Transfer students should see an advisor at Missouri State prior to admission for assistance with this process. If you have further questions about this program, please refer to the Secondary Education website at:
