

Likeness Release Form

The Internship Academy will publish pictures in a monthly newsletter and on social media. If you would like to have your pictures included in this, we must have a signed Likeness Release Form for all people in each picture. If a child is included, the form must be completed by their parent or guardian. Email completed forms to saratipton@missouristate.edu. Please note the form must only be submitted once.

The form is available through the address below.
