Certified Child Life Specialist

RELATED WORK EXPERIENCES

CINCINNATI CHILDREN'S HOSPITAL MEDICAL CENTER Cincinnati, Ohio

Certified Child Life Specialist

Emergency Department (January 2009 – September 2010)

Division of Developmental & Behavioral Pediatrics (September 2010 – present)

- Advocate for children and families by collaborating with others in creating plans of care for each individual's needs
- Empower and guide children and families to find their positive coping skills during times of stress and help them utilize those during their healthcare encounter
- Continually assess developmental age of children in order to better meet their needs within the hospital setting and to enable continued growth in development throughout their stay
- Educate patients and families at developmentally appropriate levels about procedures, surgery, trauma, and new diagnosis
- Collaborate with a team of interdisciplinary staff in order to facilitate the best care possible for each family through continuous communication

DREAM BIG DAY CAMP Denver, Colorado

Group Leader (June 2007 – August 2007)

- Managed the daily activities for 10-15 children between the ages of 4 to 7 years old
- Communicated daily progress of children both verbally and through written reports to the camp directors and parents
- Made effective adjustments within activities to further enhance each child's skill level and confidence

MISSOURI STATE UNIVERSITY RESIDENCE LIFE Springfield, Missouri

Resident Assistant (August 2006 – May 2007)

- Established a trusting community of girls ages 17-24 by counseling, supporting, and assessing their current needs as residents regularly
- Created programs to educate residents about critical issues including: diversity, chemical abuse, personal development, relationships, security, and academic performance

WEST COUNTY YMCA: Camp Seneca Chesterfield, Missouri

Camp Counselor (May 2006 – August 2006)

- Supervised 15+ children ages 5-13, including children with special needs
- Documented children's activity and needs while at camp on a daily basis
- Communicated with parents about children's progress during their participation in camp

RELATED TRAINING EXPERIENCES

CINCINNATI CHILDREN'S HOSPITAL MEDICAL CENTER Cincinnati, Ohio

Child Life Intern (September 2008 – December 2008), 600 hours

- Completed a 6-week rotation in the Emergency Department focusing on procedural preparation/support, trauma interventions, bereavement services, and alternative focus techniques
- Completed clinical rotations in the following inpatient & outpatient areas: Transitional Care Center, Medical Surgical Unit, StarShine Hospice, Division of Developmental & Behavioral Pediatrics
- Worked directly with patients and families concentrating on fundamental child life skills including assessment, therapeutic interventions, and family-centered care
- Managed activity center program and supervised volunteers
- Collaborated with a team to develop a sibling support kit to send home that fosters sibling relationships, family communication & support outside the hospital
- Worked as part of the interdisciplinary team by participating and presenting in medical rounds

THE CHILDREN'S HOSPITAL Denver, Colorado

Child Life Practicum Student (June 2007 – August 2007)

- Observed Child Life interventions in the Emergency and Teen Departments
- Adapted therapeutic play activities to meet the physical and developmental needs of patients in group settings and at bedside
- Participated in special events including a prom for the Oncology Unit and a magic show in the Emergency Department
- Developed a brochure for the new hospital's Teen Department

CHILD DEVELOPMENT CENTER, Missouri State University Springfield, Missouri

Student (August 2007 – December 2007, June 2008-August 2008)

- Planned and implemented developmentally appropriate activities for children 2 years old and infants under 2 years of age
- Created portfolios of the development of two children's development including: physical, social, emotional, language, and cognitive development

UNIVERSITY CHILD CARE CENTER, Missouri State University Springfield, Missouri

Student (January 2006 – May 2006)

- Implemented developmentally appropriate activities for children 3 years old

RELATED VOLUNTEER WORK

ANNIE'S HOPE: The Bereavement Center for Kids St. Louis, Missouri

Camp Courage Cabin Counselor Volunteer (June 2008, 2009)

- Supervised and provided grief support for 9 year old girls
- Created activities that enabled the children to gain coping skills and grieve in a healthy manner

PROJECT JOY: Healing through the Power of Play

Volunteer, (October 2008)

- Empowered children and families through therapeutic play activities
- Promoted positive life skills by leading the Project Joy family pledge

LOST & FOUND: A Place for Hope through Grieving Springfield, Missouri

Volunteer (February 2008 – August 2008)

- Formed an activity book to assist with the children's grieving process while at home
- Created posters and discussion cards for group time

COXHEALTH SOUTH Springfield, Missouri

Child Life Volunteer (October 2006 – August 2008)

- Offered bedside activities to pediatric patients, of all ages, unable to come to the activity room
- Developed therapeutic play activities to meet the developmental needs of patients and siblings
- Assisted with Pet Therapy and special visitors

CAMP BOGGY CREEK: A Hole in the Wall Camp Eustis, Florida

Cabin Counselor Volunteer (June 2006)

- Supervised a group of 8-10 year old children with HIV, AIDS, and other immunology diseases in daily camp activities
- Communicated with staff to create therapeutic and enjoyable experiences for the campers according to their present needs

ORGANIZATION INVOLVEMENT
