STEP THREE:

After acceptance into the accelerated graduate program, complete the [mixed credit form](#).

- This form is a fillable PDF. After you fill it out, you can save and email it. If you fill out a printed paper copy, you can scan and email it as a PDF using a scanning app on your phone. (Example: Genius Scan)
- Fill out the top portion of the form, indicating which graduate class you are requesting for mixed credit. You can find CRNs on the course schedule search. See example below.

Graduate classes you are requesting for mixed credit			
CRN (Optional)	Course Code	Course Number	Credit Hours
45584	ELE	604	3

- c. If there is more than one section of the same graduate course, then put both sections on your form so that you have mixed credit permission for both, in case one fills.
- d. Initial where indicated
- e. Sign and date the bottom of the form under “Student signature”
- f. **The student is to email the form to the Graduate Program Director (listed above) for approval.**
- g. The graduate program director will approve and forward the form to the School Director of the undergraduate major.
- h. The School Director of the undergraduate major will sign the form under “AUL Signature” and forward the form to Phillip Raleigh in the Graduate College for Graduate College approval.
- i. The Graduate College will forward the form to the Office of the Registrar for processing.

STEP FOUR: Register for courses from approved coursework list:

NOTE: It is your responsibility to check your My Missouri State > Registration Card > Registration Status page to see when you have been granted the “MIXED CREDIT” override by the registrar’s office. When you see the mixed credit override, email your academic advisor for additional permission overrides needed to be able to register; advisors can only grant permission if the mixed credit override has been granted. **You will NOT be able to register for your graduate course until you receive the MIXED CREDIT override from the registrar’s office and a permission override from your advisor. You will not be notified when you can register for the course.**
