Worked as a program assistant. Duties included, proposal writing, budgeting, report writing, field mobilization, data management, quantitative data analysis, and report writing.

TEACHING EXPERIENCE

Teaching instructor

September 2017-May 2018

Department of Family Science and Human Development and Department of Psychology, Montclair State University, Primary instructor for three undergraduate level courses.

Teaching Instructor

Methods of Research

Summer-2016

Department of Educational Foundation
Montclair State University
Primary instructor for a graduate research class
Introduced students to methods of research and developed all course materials including syllabus, lectures, PowerPoints, activities, and assignments. Graded all assignments and provided one-on-one feedback to students during class time and facilitated group work

Co-Instructor

Advanced Quantitative Research

Fall-2014

Department of Educational Foundation
Montclair State University
Co-instructor for a doctoral level course
Delivered lectures and graded assignments for the course

Co-Instructor

Research Seminar

Fall-2013

Department of Family Science and Human Development, Montclair State University
Co-instructor for a graduate level course
Worked with students on their research projects, checked their draft projects, provided one-on-one feedback to students, and graded assignments for the course
