

## **COUNSELING, LEADERSHIP AND SPECIAL EDUCATION**

### **Minimal Criteria for Graduate Faculty Status**

The Counseling, Leadership and Special Education tenured faculty will review candidate applications and make recommendation to the Counseling, Leadership and Special Education Department Head. The counseling, Leadership and Special Education Department Head will make nominations to the Dean of the College of Education who will then forward applications to the Graduate Council Membership Committee.

The following are minimal standards for recommendation to the Graduate Faculty in the Counseling, Leadership and Special Education Department.

#### **For Research Faculty**

1. Terminal degree (Ph.D./Ed.D/Psy.D) in the specific discipline (Counseling, Leadership, Special Education) or closely related field.
2. Approval by majority vote of the Graduate Faculty in the CLSE department.
3. Service in appropriate professional organizations at the national, district, and/or state levels, and or/service at the university, college, and/or department level.
4. Evidence of three of the following. Evidence will be presented through vita and/or examples of published work.
  - a. Author of article(s) published in refereed journals or in major discipline-based journals.
  - b. Author/contributor/editor of a book/chapter in the field of education.
  - c. Author of published educational curriculum material.
  - d. Author of substantial portion of a major research-based grant and/or contract proposal with dissemination of scholarly products;
  - e. Presenter of at least one scholarly paper at international, national or regional conferences (refereed) considered premier organizations in our field that has between selected for publication;
  - f. Author of tangible product(s) (e.g. web-based curriculum scholarly presentations, and/or publications) from scholarship of teaching/application;
  - g. Author of monograph(s) of research-based document(s) published and disseminated by foundations, and/or public or private agencies;
